CLAYTON SCHENCK

Date: June 4, 2004

To: Legislative Finance Committee

From: Jon Moe
Fiscal Specialist

Subject: Required Reports for June 2004 LFC Meeting

The legislature (through statute, language in bills, or committee action) requires certain reports to be submitted to the Legislative Finance Committee (LFC) and the Legislative Fiscal Division (LFD). State agencies and other entities have been requested to provide information on various subjects of interest to facilitate the decision-making process.

The reports fit into two categories: 1) reports required to be submitted to the LFC are generally to monitor compliance or progress with legislative policy/initiatives; and 2) reports required to be submitted to the LFD are primarily to provide data relevant for staff analysis of budget issues for the next legislative session. The attached report lists the required reports identified and the occurrences of the reports received or expected to be received during the 2005 biennium. Two reports, received since the last LFC meeting (March 2004), are also included under this cover.

Generally, this report on "required reports" is provided to the committee simply for information purposes. Although it is on the LFC meeting agenda, there are typically no oral reports provided unless there is an issue identified by the staff that needs to be brought to the committee's attention. If a committee member has a question, he or she can contact the indicated staff member directly or raise the question in the meeting.

If you have questions, please feel free to contact Jon Moe by e-mail at jonmoe@mt.gov or by telephone at 406-444-2986.

[NOTE: This website version only includes the list of reports, but does not include copies of the individual reports mentioned above. Copies are available upon request from the Legislative Fiscal Division.]
